

All Rise: Somebodies, Nobodies, and the Politics of Dignity

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest eBook I have read during my very own daily life and could be the best eBook for possibly.

(Mitchell Kuhn III)

ALL RISE: SOMEBODIES, NOBODIES, AND THE POLITICS OF DIGNITY

ReadHowYouWant. Paperback. Book Condition: New. Paperback. 332 pages. Dimensions: 10.0in. x 7.8in. x 0.8in. By the author of the bestselling *Somebodies and Nobodies: Overcoming the Abuse of Rank* Argues that rankism--abuse of the power that comes with superior rank--does serious damage to our private relationships and public institutions Details how to design social institutions that overcome rankism and protect human dignity Learn more at [www. BreakingRanks. net](http://www.BreakingRanks.net) In his groundbreaking book *Somebodies and Nobodies*, Robert Fuller identified a form of domination that everyone has experienced but few dare to protest: rankism, abuse of the power inherent in rank to exploit and humiliate someone of lower rank. It plays a role in just about every form of social oppression n racism, sexism, homophobia, and religious intolerance all have a significant element of rankism in them. Most everyone has felt the sting of rankism--at the hands of a dictatorial boss, a condescending teacher, an arrogant doctor, or an imperious bureaucrat. But, equally, most everyone has inflicted it on someone of lower rank. That we are, all of us, both victims and perpetrators of rankism mandates a novel, multifaceted strategy for confronting it. Fuller isnt proposing that we do away with rank--without it organizations become dysfunctional. Hes not advocating an egalitarian society where all are equal in rank but rather a dignitarian one where all are equal in dignity: a society in which rank holders are held accountable, rankism is shunned, and dignity is broadly protected. In *All Rise*, Fuller lays the groundwork for a dignitarian society by delineating the scope and impact of rankism and then shows how a dignitarian movement can defeat it by addressing issues such as: What would workplaces, schools, health-care organizations, politics, religion, and international relations look like if they were to embody dignitarian values What policies...
