Vintage Publishing, United Kingdom, 1998. Paperback. Book Condition: New. 196 x 130 mm. Language: English . Brand New Book. Returning to Belfast after a long absense, to attend her father s funeral. Catherine McKenna - a young composer - remembers exactly why she left: the claustrophobic intimacies of the Catholic enclave, her fastidious, nagging mother, and the pervading tensions of a city at war with itself. She remembers a more innocent time, when the Loyalists Lambeg drums sounded mysterious and exciting; she remembers her shattered relationship with the drunken, violent Dave, she remembers the child she had with him, waiting back in Glasgow. This is a novel, about coming to terms with the past and the healing power of music, Grace Notes is a master story-teller s triumphant return to the long form: a powerful lyrical novel of great distinction.
