

Psychiatric Drug Withdrawal: A Guide for Prescribers, Therapists, Patients and Their Families

By Peter R. Breggin MD

Springer Publishing Company. Paperback. Book Condition: New. Paperback. 352 pages. Dimensions: 9.0in. x 6.1in. x 0.8in. As a physician who specializes in addiction medicine and drug withdrawal and written widely on them, I recommend Dr. Breggin's book to every health professional who deals with anyone taking psychiatric drugs. He gives highly useful information and reasons for stopping or avoiding them. Its an excellent one-stop source of information about psychiatric drug effects and withdrawal. Prescribers, therapists, patients, and families will benefit from this guidebook. Charles L. Whitfield, MD Bestselling author of Healing the Child Within and many other books Peter Breggin has more experience in safely withdrawing psychiatric patients from medication than any other psychiatrist. In this book he shares his lifetime of experience. All of our patients deserve the benefit of our obtaining that knowledge. Bertram Karon, PhD Professor of Psychology, Michigan State University Author, The Psychotherapy of Schizophrenia Former President of the Division of Psychoanalysis of the American Psychological Association This is such an important book. Describing the problem of withdrawal from psychiatric drugs in detail, and providing clear advice regarding how to deal with this problem as Peter has done so well in this book, is long overdue. For...
