THE SHUTTLE (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.No man knew when the Shuttle began its slow and heavy weaving from shore to shore, that it was held and guided by the great hand of Fate. Fate alone saw the meaning of the web it wove, the might of it, and its place in the making of a world s history. Men thought but little of either web or weaving, calling them by other names and lighter ones, for the time unconscious of the strength of the thread thrown across thousands of miles of leaping, heaving, grey or blue ocean. Fate and Life planned the weaving, and it seemed mere circumstance which guided the Shuttle to and fro between two worlds divided by a gulf broader and deeper than the thousands of miles of salt, fierce sea-the gulf of a bitter quarrel deepened by hatred and the shedding of brothers blood. Between the two worlds of East and West there was no will to draw nearer. Each held apart. Those who had rebelled against that which their souls called tyranny, having struggled madly and shed blood in tearing themselves free, turned stern backs upon their unconquered enemies, broke all cords that bound them to the past, flinging off ties of name, kinship and rank, beginning with fierce disdain a new life.
