BOOMERS PEACE: TRUSTING GOD S PLAN THROUGH LIFE S UNCERTAINTIES (PAPERBACK)

Tate Publishing Enterprises, United States, 2013. Paperback. Book Condition: New. 208 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.Boomers are now reaching the age of retirement by the thousands each day with higher rates of anxiety and depression than any other generation. In Boomers Peace, Deb Moore provides encouragement in a heartwarming and often humorous way for this great generation, sharing nuggets of wisdom from her own learning experiences over the decades. The peace of God is not the flower power or euphoric far-out jargon experienced in the pop culture of the fifties, sixties, or seventies. God s true peace can shine through all circumstances, every season of life, when we receive His hand of grace upon us. The sun comes up every morning, even when skies are cloudy. Deb Moore s inspiring stories are not just about survival but about living in triumph regardless of the obstacles. Life is not a gamble. We do not have to rely on luck. You will become enriched through relevant examples that when attitude meets opportunity, the fragments of our lives all work together for the good if we lean on God s promises and refuse to give up. Moore draws on lessons of God s dependability in her past to give Baby Boomers, and all generations alike, a liberating understanding that God s mercy and plans for us never retire. God has a purpose for your life, regardless of age, location, finances, health, title, or job status. Take peace in knowing you matter. Find your dignity through the understanding of God s unconditional source for our self-worth. Dream on and keep on keeping on to be all you are designed to be. Yes, there is such a thing as maturing gracefully. Discover a new hope for...
