AMINA: THE SILENT ONE (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. Llpix Photography Design (illustrator). 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Amina: The Silent One brings vividly to life the grim realities facing women in India today, the grinding, filthy poverty, and debasement with which most Indian women must contend in their daily lives. This book will shock you and rip your eyes open. Through the magic of fiction, it tells an awful truth in human terms that cannot be told in any other way. The degradation of women in India is nearly universal, and ranges from their second-class status in society, often excluding them from educational and professional opportunities, to their frequent physical and psychological brutalization, often involving assault, rape, and sexual slavery. In her latest work, Indian national and accomplished novelist and poet, Fiza Pathan has gone a long way in removing the obstacles to a true understanding of the hellish reality most Indian women experience. Her characters are fully imagined and alive to the reader, and she does not stint in telling the gruesome, shocking truth. She is candid and...
