Topical, evidence-based, and applied Written by a developmentalist and an educational psychologist, Child Development and Education bridges the gap between theory and practice, showing those who teach and care for infants, children, and adolescents how to apply developmental research and theory to everyday practice. This topically organized text describes developmental phenomena and provides instruction and opportunities to practice observations of and analyses of what children say, do, and create, ensuring that educators can make informed decisions that meet children s and adolescents needs. Personalize learning with MyEducationLab (r) MyEducationLab is an online homework, tutorial, and assessment program designed to work with the text to engage students and improve results. Within its structured environment, students see key concepts demonstrated through real classroom video footage, practice what they learn, test their understanding, and receive feedback to guide their learning and ensure they master key learning outcomes. 0134229509 / 9780134229508 Child Development and Education with MyEducationLab with Enhanced Pearson eText, Loose-Leaf Version -- Access Card Package Package consists of: 0133549690 / 9780133549690 Child Development and Education,...
