Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

TO SEDUCE A SINNER

Little, Brown & Company. Paperback. Book Condition: new. BRAND NEW, To Seduce a Sinner, Elizabeth Hoyt, Jasper Renshaw, Viscount Vale, has a problem: he needs to marry and produce an heir to the title. All Jasper wants is to find a lady who will put up with him long enough to wed so he can return to his customary life of drinking and womanizing. Melisande Fleming, on the other hand, has been secretly in love with Jasper for years. Knowing that Jasper is under pressure to marry, Melisande grasps her fate with both hands and volunteers to wed him, even though she means nothing to him. Although Jasper is initially only interested in producing an heir, their wedding night is pleasant, if not earth-shattering and he oddly enough finds himself curious about his wife. What does Melisande do all day? What does she think about? Melisande, however, has everything she told herself she'd be content with: marriage to the man she loves. But to her chagrin, she wants more from the Jasper. More of his time, more of his thoughts and heart, and really, while we're on the subject, more lovemaking. Thus, she sets out to seduce her husband by night even as he starts turning up in her life during the day.
