Mittens On Publishing, United Kingdom, 2015. Paperback. Book Condition: New. 294 x 206 mm. Language: English . Brand New Book. Ablaze! fanzine was published in Manchester and Leeds in the late eighties and early nineties by Karren Ablaze! The best bits of this notorious and outspokenly passionate zine are now available in book format. Alongside hundreds of zine pages, The City Is Ablaze! features new writings by Karren and other members of the Ablaze! team, as well as interviews with fanzine writers John Robb (Rox), Dave Haslam (Debris) and Richard Johnson (Grim Humour), essays by DIY cultural commentators Lucy Cage and Deborah Withers, a re-examination of the Riot Grrrl movement, and an epilogue by Gary Jarman (The Cribs) and a rather irate letter from Morrissey. This 320-page A4 book also covers other zines that Karren produced in Manchester and Leeds between 1984 and 1994, capturing an era where DIY was de rigueur and indie actually meant something. You'll be able to read original interviews with the following bands (in chronological order): Eyeless In Gaza The Membranes The Stone Roses The Inca Babies Tools You Can Trust The Bodines Inspiral Carpets The Pastels The Janitors Happy Mondays King of the Slums The Dust Devils The Shamen Cud Sonic Youth Dinosaur Jr The Pixies Throwing Muses The Sundays Thrilled Skinny Rapeman UT Dog Faced Hermans Edsel Auctioneer Mudhoney AC Temple FIREHOSE Band of Susans Henry Rollins Live Skull Kilgore Trout The Sun and The Moon The Breeders Happy Flowers Silverfish The Keatons The Stretchheads Pregnant Neck Mayomberos Alive Fluff Archbishop Kebab Nirvana Pale Saints Mercury Rev The Heart Throbs Babes in Toyland American Music Club Hole Pavement My Bloody Valentine Shudder To Think The Wedding Present Leatherface Nation of Ulysses Tsunami Poster Children Sugar Moonshake Hood Polvo The City Is Ablaze! reads...
