When I draw them they come out of my head. If you draw your fears, then when the book is closed they are stuck there. Also, if you draw them, they don t look as scary as in your mind. My monsters are really scary. In this book, you can color my monsters and even draw your own. You can make my monsters pink, or give them moustaches and alien antennas. Imagine! When the monsters come out of my head, I think they are homesick and they go to live in the basement, or the attic, to be near. I guess I don t care if they stay there. -Gef Rice, 9 years old, There are Monsters Coming Out of My Head (A coloring book for any age).
