Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Have you ever lost a loved one and longed for just one more moment together? What if it were truly possible to have this time together? Could a visit, if even for a short moment of time, help heal your heart? Would knowing for certain that they still exist and are doing well bring you a deep peace? What if you could express your love once again? Imagine how that would feel! Visiting loved ones in Heaven is possible! God can bless souls separated by physical death by reuniting them spiritually for short visits. The authors of the testimonies in this book do not have to imagine what such a wonderful opportunity would be like. They each have experienced the profound blessings of such moments. They chose to share their experiences to praise the loving God that blessed them and to inspire you, the reader, to strengthen your own relationship with God. Within this book are spiritual tools and daily practices that may help YOU to have your OWN similar experiences. These testimonies will shatter perceived limitations as to what is possible in your relationship with God and God's Prophet. Spiritually meeting departed parents, grandparents, aunts, uncles, children, close friends, and even beloved pets can heal broken hearts. These moments together also bless your loved one as they too desire to reach out to you. These beautiful and heartwarming stories are possible because God loves both you and your loved ones.
