Brand New Book ***** Print on Demand *****.Hi, my name is Karen, I live in the small town of Hoot where everyone is somewhat famous. With the growing unemployment rate I am forced to take a job where I stalk a gaggle of murders in order to burn a hole in their story. Like always, when something happens in a small town the perpetrators responsible become pseudo celebrities and with their growing fame I am forced to face the many secrets that not only concern myself but my family as well. Whether or not I m a capable parent is called into question along with the fire that consumed my ex husband s house. While the web of secrets and lies starts to unravel I notice strange occurrences and I fear I am being watched.
