Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

DARKFEVER FEVER SERIES, BOOK 1

Dell. Paperback. Book Condition: New. Mass Market Paperback. 384 pages. Dimensions: 6.7in. x 4.1in. x 1.2in. MacKayla Lanes life is good. She has great friends, a decent job, and a car that breaks down only every other week or so. In other words, shes your perfectly ordinary twenty-first-century woman. Or so she thinks until something extraordinary happens. When her sister is murdered, leaving a single clue to her death a cryptic message on Macs cell phone Mac journeys to Ireland in search of answers. The quest to find her sisters killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possessed a gift that allows her to see beyond the world of man, into the dangerous realm of the Fae. As Mac delves deeper into the mystery of her sisters death, her every move is shadowed by the dark, mysterious Jericho, a man with no past and only mockery for a future. As she begins to close in on the truth, the ruthless Vlanean alpha Fae who makes sex an addiction for human women closes in on her. And as the boundary between worlds begins to crumble, Macs true mission becomes clear: find the elusive Sinsar Dubh before someone else claims the all-powerful Dark Book because whoever gets to it first holds nothing less than complete control of the very fabric of both worlds in their hands.
