Not illustrated. 1908 Excerpt: .Day is concerned, the common practices of the time do not seem to have been exceeded; at any rate it would be difficult to draw a clear distinction between the use of Muffat here, and Bach s use of Almira. And if it be said that a march in Joshua (1747) and a trio in Theodora, 1749, stand on a different footing, let us consider the likelihood of a man s keeping from his friends his knowledge of a brand-new work, which stood a good chance of reaching them in any case--he was contributing himself to that end by issuing the concertos--merely to be enabled to introduce some paltry, if improper borrowings 8 or 10 years later. And even then he unnecessarily writes Trio, which might make identification easier. It will be agreed, I think, that all the circumstances make any idea of secrecy practically inadmissible,...
