OUR WORLD IS A SPOOKY PLACE -- FIND OUT FOR YOURSELF! Enter Eerie Doorways To Other Dimensions. . . We have all heard remarkable tales of enchantment involving fairies, leprechauns, goblins and ghosts, to say nothing of unicorns, Mothman, flying Thunderbirds and an assortment of out of place forest and land dwellers like our hairy Bigfoot friends. Most think such phantasmic figures are the result of overworked imaginations or sleep paralysis (a favorite scapegoat of skeptics). But we who have dared delve deeper fully realize that such entities are not hallucinatory projections, but are residents of a normally invisible realm that can be entered through doorways or windows existing on power spots located on key junctions of a global grid system. In OUR ALIEN PLANET; THIS EERIE EARTH the authors reveal where such openings are located, and how the earth itself possesses a superior intelligence an is capable of dramatic -- and often violent -- mood swings. You will learn what it is trying to say and how it goes about conveying messages to us planetary dwellers. Readers are entitled to a free audio CD of interviews with several of the books contributors. Information to be contained within the volume.
