Krazy World Creations. Paperback. Book Condition: New. Mr Dante Taylor (illustrator). Paperback. 66 pages. Dimensions: 8.5in. x 5.5in. x 0.1in. Allow your mind to travel back to a time if you would, back to a time when you were a kid young, innocent, and carefree. Life was simple and dreams were all so vivid, because that is all you had it was your future. The hardest decision you had to make was choosing between Red or Orange Kool-Aid, Pop Rocks or Pixie Sticks, and Bubblicious or Bubble Yum. Saturday morning cartoons were always PG-13 and the only violent crash was Wiley Coyote running off the cliff and crashing at the bottom head first. There were no such things as vampires, werewolves, wizards or fire breathing dragons. The only dragon you heard of was named Puff The Magic Dragon and he was harmless. Remember those times in your life where you built your own go-carts, forts, tents, and sand castles. Your imagination could take you into the forest to see the Smurfs and Gargamel or to flying little Ponies in the sky. Life was good, and kids were kids. If you remember those times why not share them with your children. Let them enjoy and relive some of your childhood, while creating their own childhood memories through reading. Encourage them to enjoy the simplicities of being a kid where life is fun, friends are amazing, summer break is the time of your life and childhood is just simple. If you want the innocents for your children that I want for mine, then The Big HEad KIDS is the book for them. Good ole fashion shenanigans, mischief, knuckle-heads and uncontrollable laughter is what you will find in The Big HEad KIDS. Let the laughs and fun times began This item ships from multiple...
