By Mandy Concepcion

Createspace, United States, 2011. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.(GM) Domestic Automotive Transmission Troubleshooter and Reference A reference and pictorial guide for automotive transmissions (Including General Motors Vehicles) By MANDY CONCEPCION The beginnings of this book (GM) came about after the development of the Transmission Troubleshooter software package, which eventually became part of the TransDoctor PC based diagnostic equipment. Both of these related products, although meant for the professional side of the industry, left behind a huge arsenal of data that matched perfectly with the needs of the average consumer, DIY and mechanic aficionado. We assumed that his information, so far as the general public was concerned, did not necessitated to be part of a broad software package and therefore could be offered at a lower cost to the public. This book covers automotive Transmission diagnostics and electronic repair for the GM side of domestic vehicles. The information was amassed during years of field work and research in the automotive industry. For this reason, the information is presented in a direct, hands on approach and skips the basic operation of automotive transmissions. If you re trying to...
