Brand New Book ***** Print on Demand *****.It is inevitable, between the ages of 39 and 55, that each of us will be confronted with a profound crisis of identity. Now what? we ask. The Wisdom of Midlife presents the opportunity to reclaim the passion, power and purpose we have either lost or denied. The difficulty with this passage is that it is seen as a breakdown, an emotional and psychological failing, Frank Natale writes. Middle age is not the beginning of decline. This book shares Natale s unique perspectives on the passages that precede midlife, from coming of age through the realization of betrayal, so we may transform this traumatic period of chaos and confusion with a clear map for conscious living. Through renewed self-awareness we embrace the priorities of integrity, forgiveness and acceptance that empower us to realize greater wisdom, creativity and joy...
