Tate Publishing Company, United States, 2015. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.We are living in an era where the economic pendulum is swinging in a direction that seems unpredictable. Every time we turn on to watch the news economists are predicting a financial transition that will literally change the manner business is conducted worldwide. In this second edition of Minister Jean G Noel s book entitled Overcoming the Spirit of Poverty J.G. Noel reveals biblical steps, which the believer needs to practice during moments of prayer that will unlock their inner God given potentials and release the success that belongs to them. Also, Rev. Noel addressed the controversial doctrine of Health and Wealth and brings new insight that will lead the believer to embrace a balance view. Jean Noel was born and raised in Haiti, one of the poorest countries in the world. Therefore, he understands what it feels like to struggle and strive. Every teaching and prayer of confession is designed to help others to follow similar patterns and experience the same levels of breakthrough. The second edition of Overcoming the Spirit of Poverty is revised and consist detail revelatory insight; for individuals dealing with financial, emotional, and generational hindrances. Additionally, this devotional guide can be used during moments of prayer and in fasting as the believer intercedes for personal and environmental issues. God inspired brother Noel to write this book in order to provide a prayer manual that will facilitate the manner in which prayer is properly conducted.
