

Pilgrimage to Kailash: The Indian Route

By K.T.S. Sarao

Aryan Books International, New Delhi, 2009. Hardcover. Book Condition: New. First edition. 23 x 29 cm. Since times immemorial, Indian renunciates have been going on pilgrimage to Mount Kailash and Lake Manasarovar. But after the take over of Tibet by China, this pilgrimage stopped in 1959. However, as a result of the Sino-Indian treaty signed in 1981 and a limited form of religious liberalization in Tibet, the Chinese government agreed to let in a small number of Indian passport holders every year to enter Tibet directly from India via the Lipu Lekh crossing and go to Mount Kailash and Lake Manasarovar for the purposes of worship and circumambulation. Large chunk of the Indian territory through which the Indian pilgrims trek is out of bounds to foreigners. This trek is considered one of the most difficult pilgrimage treks in the-world. The author undertook this pilgrimage twice. The first one took place in 2002, the year of the Water Horse, which in the Sino-Tibetan duodenary cycle is considered a particularly auspicious time to make a pilgrimage to a holy place. Merit thus accumulated by undertaking pilgrimage during the year of the Water Horse is considered to be multiplied manifold. The second visit...
