Zed Books Ltd. Paperback. Book Condition: new. BRAND NEW, North Korea: State of Paranoia (2nd Revised edition), Paul French, North Korea continues to make headlines, arousing curiosity and fear in equal measure. The world's most secretive nuclear power, it still has Gulag-style prison camps, allows no access to the Internet and bans its people from talking to foreigners without official approval. In this remarkable and eye-opening book, internationally best-selling author Paul French examines in forensic detail the history and politics of North Korea, Pyongyang's complex relations with South Korea, Japan, China and America, and the implications of Kim Jong-un's increasingly belligerent leadership following the death of his father, Kim Jong-il. As an already unstable North Korea grows ever more unpredictable, antagonizing enemies and allies alike, North Korea: State of Paranoia delivers a provocative and frightening account of a potentially explosive nuclear tripwire.
